

## **The Jewish Lens @ Beit Hatfutsot International 2019/20 Schedule**

The Jewish Lens program can take place at any time of the school year. We ask for submissions to the international competition in **January 2020**, but if your community gallery takes place after that, then photos can be submitted at the end of the program for the following January. As participants come from all over the world and are on different school year schedules, we want to stress that this program should work for you both logistically and in content. For further information, please contact me at [lindsay@bh.org.il](mailto:lindsay@bh.org.il).

### **Suggested process**

- Educators complete Jewish Lens core units (1, 2, 3) provided [here](#). Additional content can be found on the [same page](#), as well as Zion Ozeri's Jewish Lens [website](#).
- Students complete final assignment of creating a photograph inspired by the theme "My Connection to the Jewish People" together with a photographer's note.
- Create a local exhibit which can be exhibited at any time during the school year.
- The educator/facilitator will upload three selected photos via the [Beit Hatfutsot website](#).
- Museum of the Jewish People at Beit Hatfutsot, via an international judging committee selects winning photos to be displayed at the annual Jewish Lens exhibit.
